NOTE FOR: The Director of Central Intelligence

25X1 Herewith are the results of [] talk with
[] about the ACDA General Advisory Committee meeting. 25X1

25X1 If you don't go yourself, Carl Duckett is probably
right in saying two people should attend, one of whom is Carl
himself. The other could be either Jack or Abbot Smith.
However, both [] and I think there is considerable
merit in Abbot's suggestion that [] would be a very
good choice. 25X1

MEMORANDUM FOR: DD/I

I have decided to make the China presentation on 30 January at the General Advisory Committee meeting. I will decide who is to accompany me after I have discussed this matter again with you and Carl Duckett.

Would you please have my presentation prepared. suggestions would seem to make sense as a basis for this.
